Title: **Vanishing Point**
Artist: **UNKNOWN**

-first vinyl release of the previously only digitally available album

-Independent mix of heavy metal, epic metal and thrash à la USA

-Mastered for vinyl, with printed inlay

The Unknown (founded 2020 in CT, USA) is an epic/thrash metal band. Their music provides hard-hitting riffs topped off with soaring melodies and soulful vocals, and their mission is to keep real metal alive while paving a path forward and carving their own place in the realm of metal.

In terms of all metal, old and new, they pay homage to old school bands like Jag Panzer, Manilla Road, Razor and many more.

VANISHING POINT was previously only available digitally and now, some three years later, comes to deserved vinyl honors.

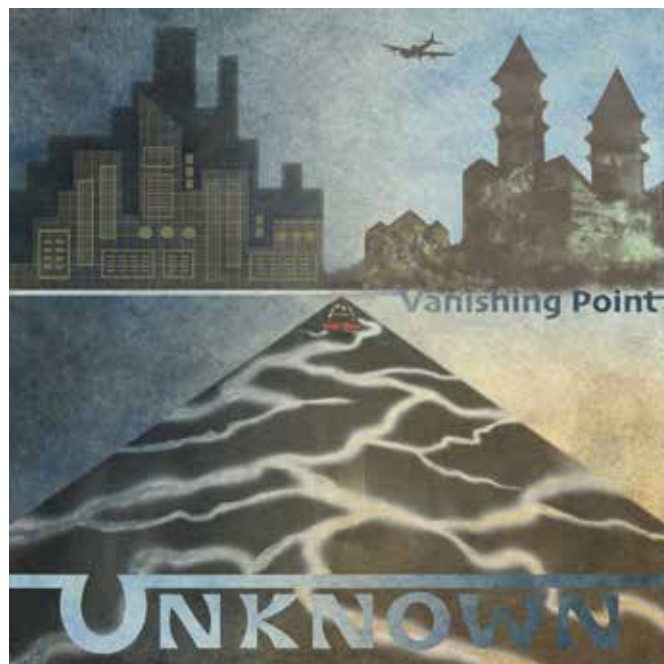

REVIEWS:

Rock Queens Reviews:

„Overall - A beautifully delivered album, featuring equally beautiful sentiment and profundity, ‚Vanishing Point‘ conveys its messages well. Impossible not to be touched by it. Flowing fluidly, throughout, showcasing the interplay of light and dark, heavy and soft, it’s a metallic offering, with comforting threads sown throughout.“ **9/10**

Metal Gods TV:

„The album runs for a mere thirty three minutes, yet the diversity is simply incredible.“
